The screenshot shows a web browser window titled "DMRS ITEMPO Date Entry - Microsoft Internet Explorer". The address bar displays "http://tkow-dev1/weblog/NewITEMPO/ITDMvty.asp". The main content area has a blue header bar with the text "ITEMPO ~ DMRS" and "Message System", along with "Modify" and "Cancel" buttons. Below the header, the text "[ Individual Level Event ]" is displayed. The section is titled "Verification:" and contains the message "PMXE - Cancel ITEMPO End Date For Individuals" in red, followed by "by UIC: 00022". A table with three columns, "SSN", "Name", and "Rate", is shown with a single empty row. Below the table is a button labeled "Click HERE to Continue". A yellow dashed line is at the bottom of the form area. The browser's status bar at the bottom shows "Done", "Local intranet", and the time "2:43 PM".

- This is the verification screen, showing the information provided for the PMXE (Cancel Individual ITEMPO End) transaction.
- Use the 'Modify' button to correct any errors noted – or click the 'Click HERE to Continue'.

# Builders - PAOT

- This is the verification screen, showing the information provided for the PAOT (Individual Access) transaction.
- Use the 'Modify' button to correct any errors noted – or click the 'Click HERE to Continue'.

# Builders - PAOT

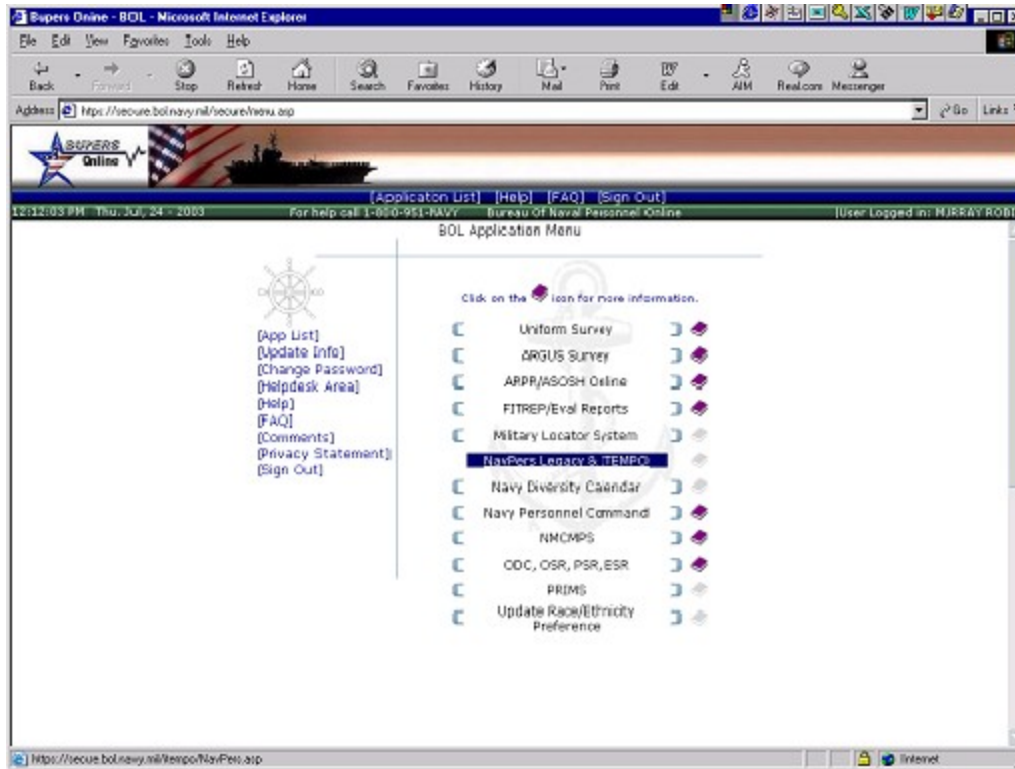

- This screen is the confirmation that you selected 'Click HERE to Continue' from the previous verification screen.
- Only an authorized message releaser for the reporting UIC can cancel, modify or release this request.

# ITEMPO Online System

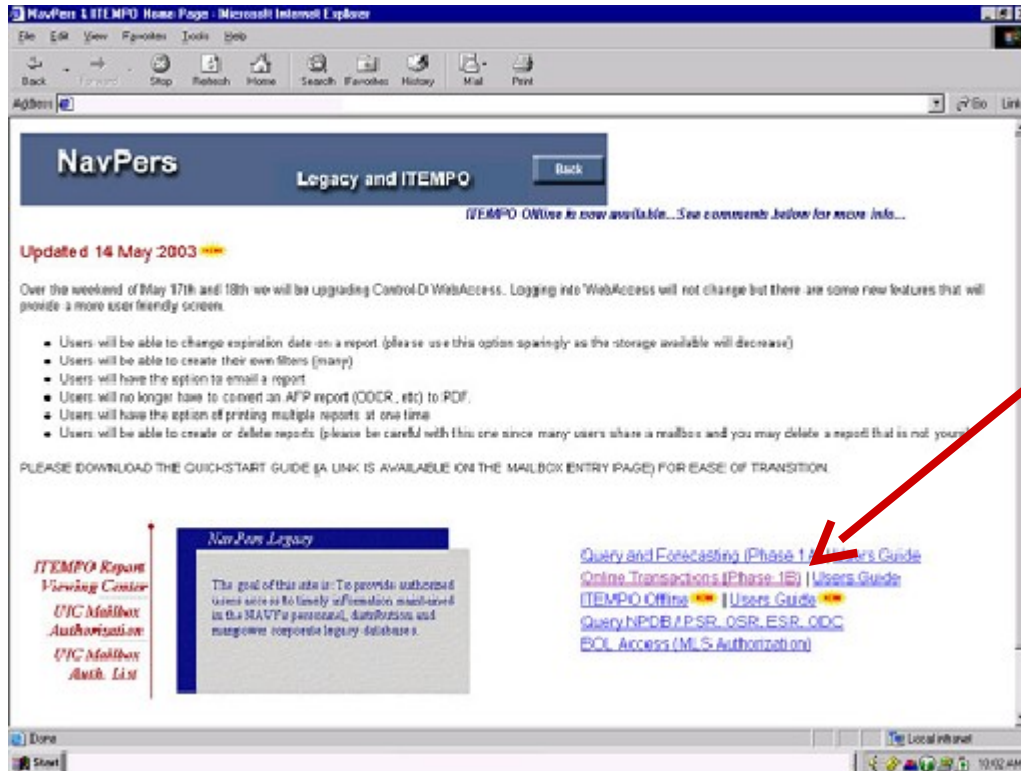

## Releaser's Guide

# Releasers - Entry

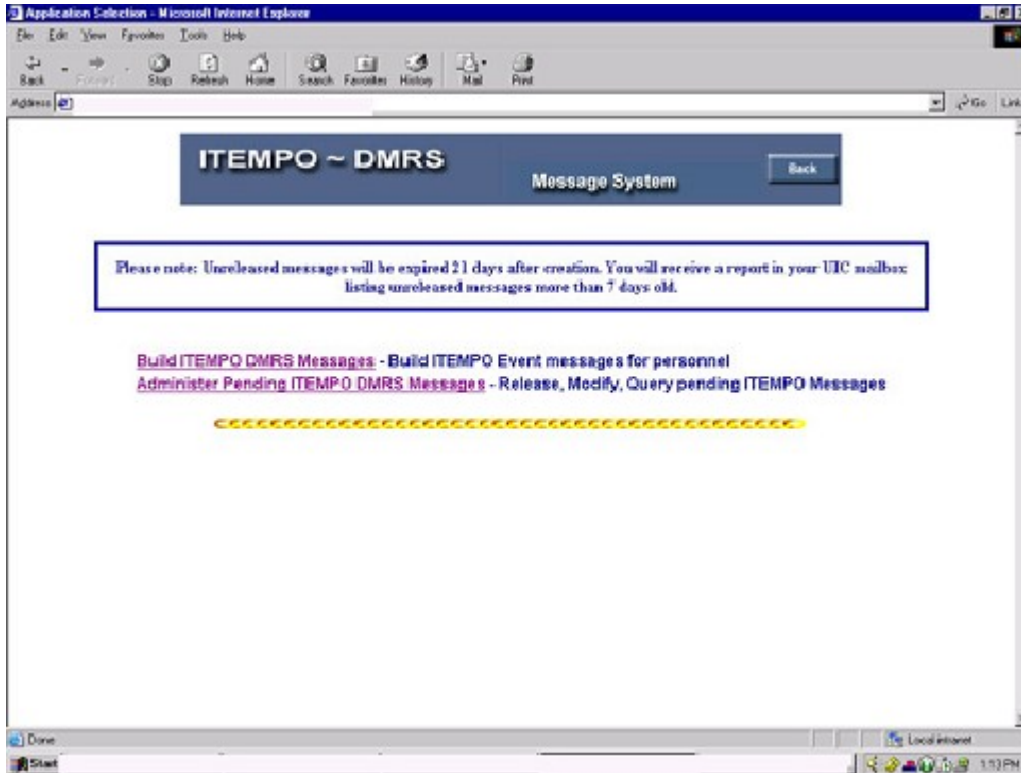

- This is the entry screen for the ITEMPO Online System event releasers.
- Access is through the BUPERS Online (BOL) web site ([www.bol.navy.mil](http://www.bol.navy.mil)).
- To begin, select the **NavPers Legacy & ITEMPO** option

# Releasers - Entry

- This is the *NavPers Legacy and ITEMPO* home page.
- Entry for the for ITEMPO Online System event releasers is achieved by clicking on the [ITEMPO Online System](#) link.

# Releasers - Functions

- These are the two functional areas available in Online System -

**Build ITEMPO  
DMRS Messages**

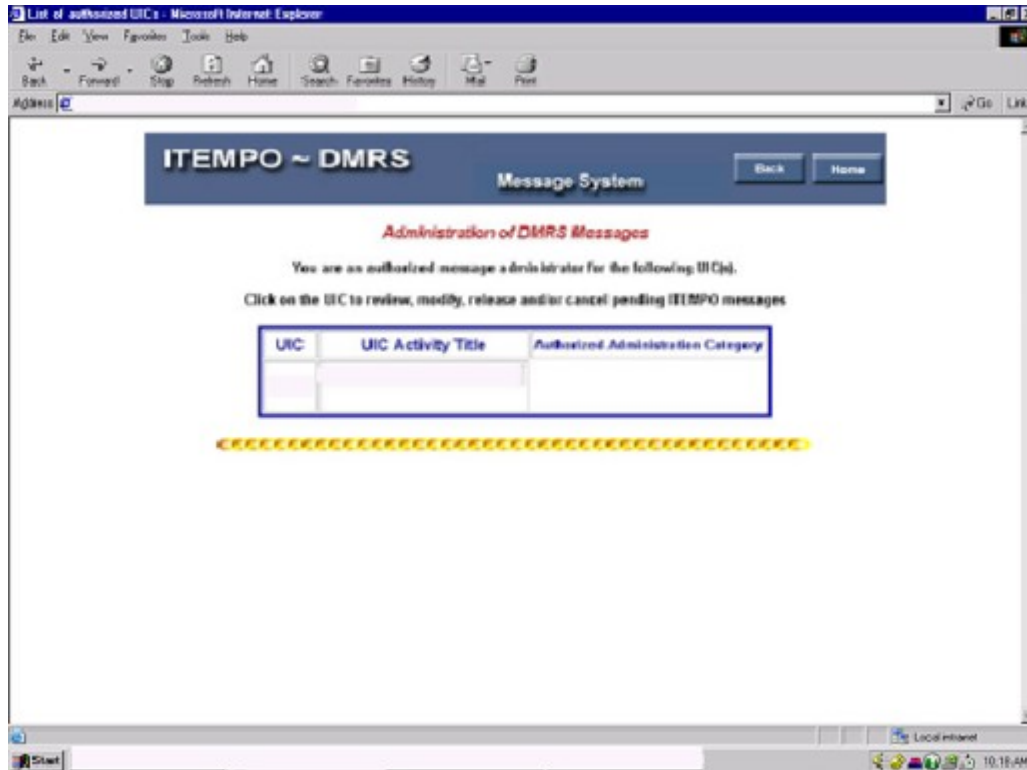

and

**Administer  
Pending ITEMPO  
DMRS Messages**

- This section will deal with the latter -

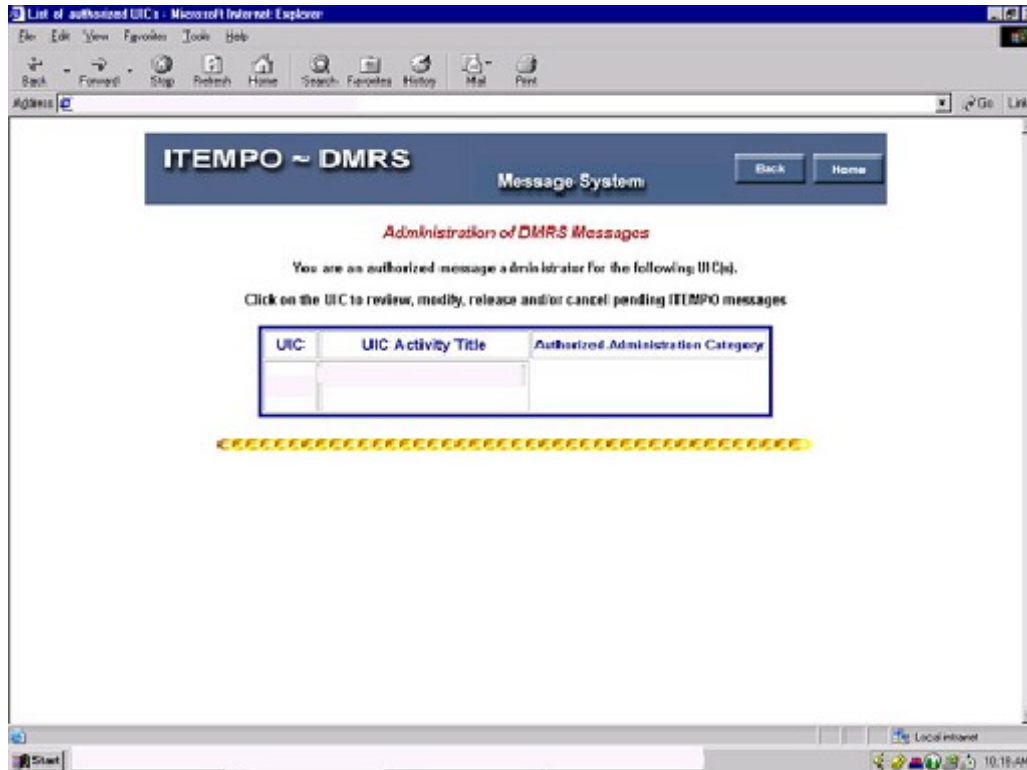

**Administer  
Pending ITEMPO  
DMRS Messages**

# Releasers – Administration

- This is the **Administration of DMRS Messages** main screen.
- All UICs which you are an administrator for will be listed here.

# Releasers – Administration

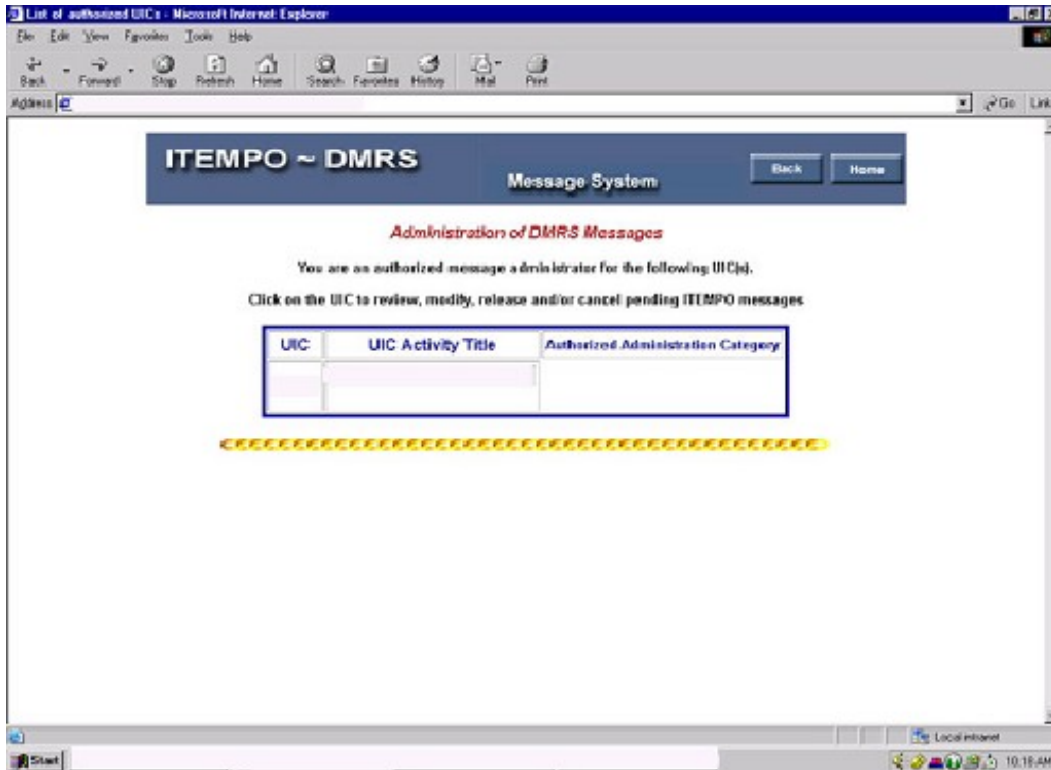

- Administration Rights are granted by UIC Owners. UIC ownership is determined by:
- Billet NOBC - CO, XO, OinCs are automatically owners (as are all flags).
- Online - UIC owners can authorize any other Navy member to be an owner of their UIC through ITEMPO online panels.
- ITEMPO message - ITEMPO "PANV" transactions grant UIC ownership.

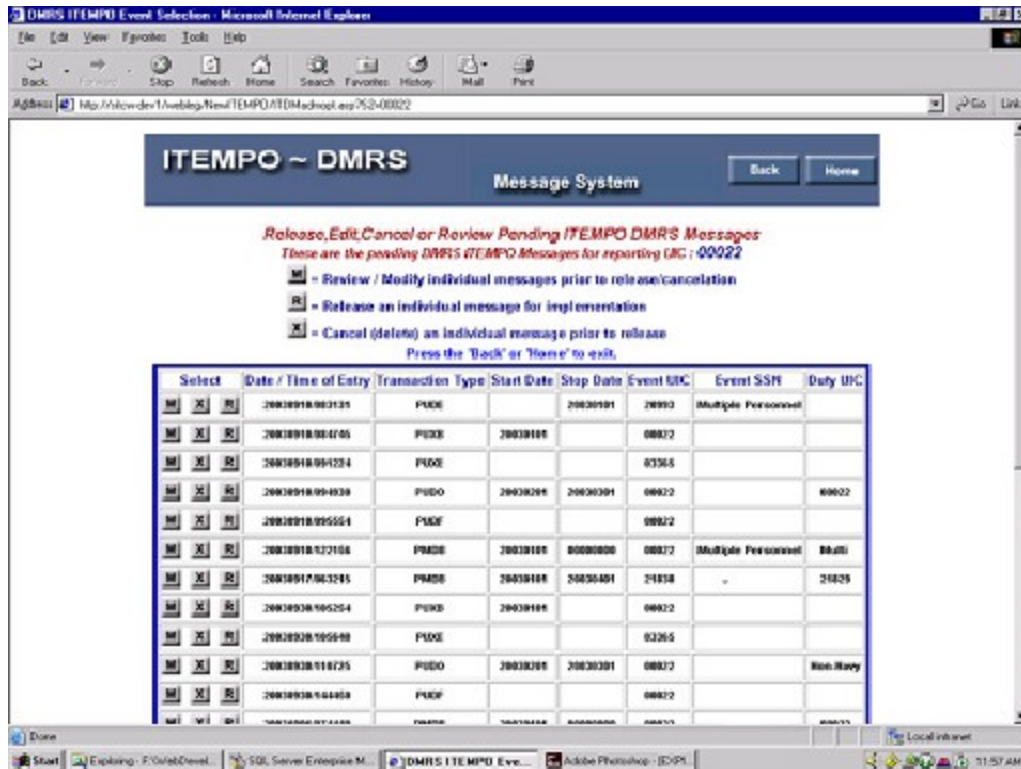

# Releasers – Administration

- Click on the [UIC](#) which you would like to **Release, Edit, Cancel or Review Pending ITEMPO DMRS Messages.**

# Releasers – Administration

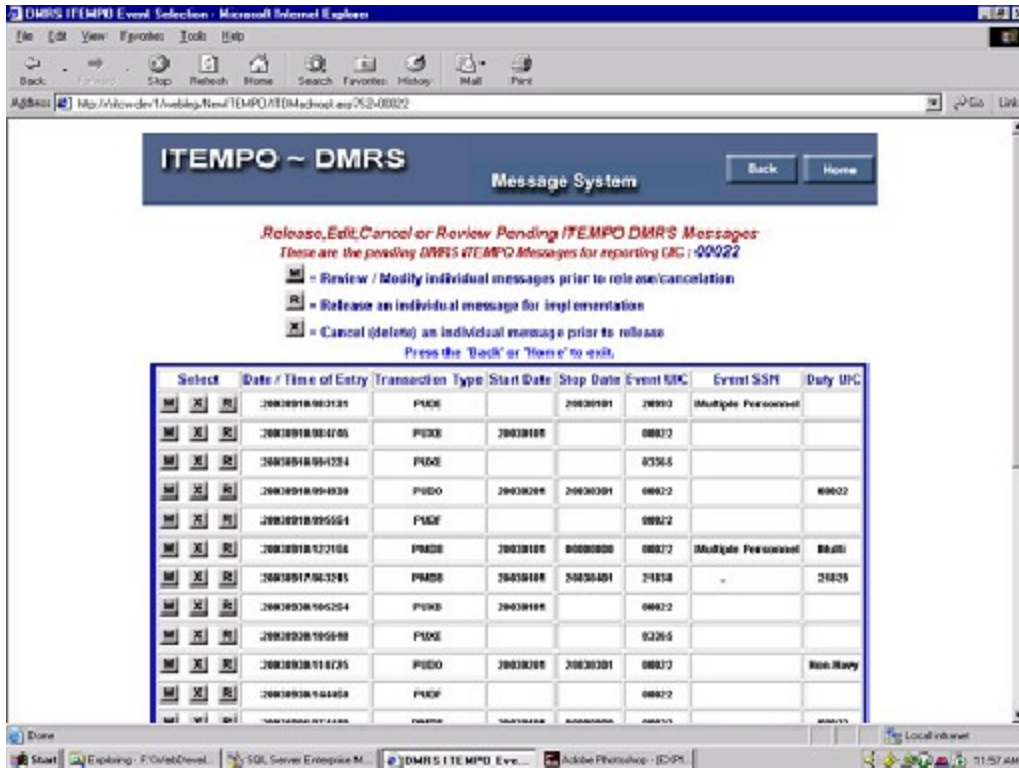

- A list of the **Pending ITEMPO DMRS Messages** for this UIC will be displayed.
- There are three options to select from:
  - Review / Modify individual messages prior to release/cancellations
  - Release a group or individual message for implementation
  - Cancel (delete) a group or individual message prior to release

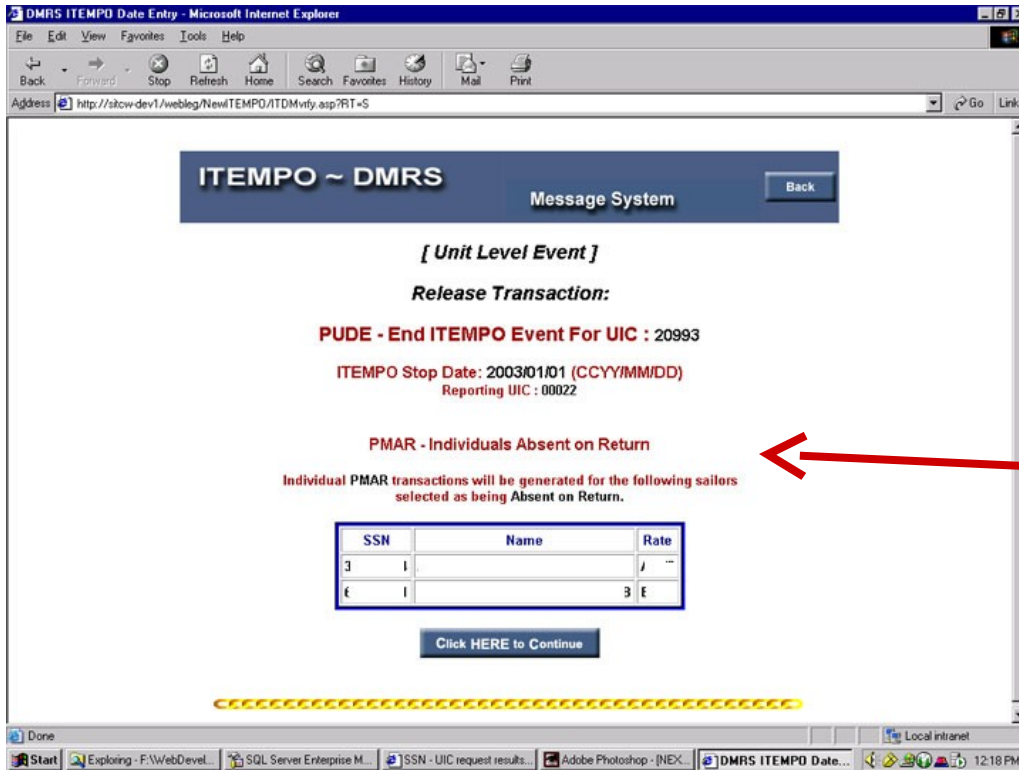

# Releasers - Review Messages

Select the option -

- **Review individual messages prior to release/cancellation.**
- Click on the radio button next to the message you wish to review.
